## Terms & Conditions

**<sup>1</sup> Corporate Membership Rewards® Program:** Enrollment in the Corporate Membership Rewards program is required. Only the American Express® Corporate Green Card, American Express® Corporate Gold Card, and Corporate Platinum Card® from American Express are eligible to enroll in the Corporate Membership Rewards program. The Program Administrator is charged a \$90 annual enrollment fee for each enrolled Corporate Green Card. A program fee is not applied for the Corporate Gold Card and Corporate Platinum Card®. Get one Corporate Membership Rewards point for every dollar of eligible purchases charged on enrolled American Express® Corporate Cards. Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, balance transfers, cash advances, purchases of travelers checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents. If the Corporate Card Member is transferring from an existing Membership Rewards program to the Corporate Membership Rewards program, the Card Member will have 30 days to use any existing Membership Rewards points before they are forfeited.

The redemption value of Corporate Membership Rewards points varies according to how you choose to use them.

For the full terms and conditions for the Corporate Membership Rewards® program please visit [americanexpress.com/corporatemrterms](https://americanexpress.com/corporatemrterms) for more information. Participating Corporate Membership Rewards partners, available rewards, and point levels are subject to change without notice.

**<sup>2</sup> Uber Corporate Rewards: Standard Rate:** The standard U.S. Uber Rewards rate is one point per eligible dollar for Pool, Express Pool, and Uber Eats orders; two points per eligible dollar for X, XL, WAV/Assist, Comfort, and Select; and three points per eligible dollar for Uber Black and Black SUV rides. Uber Taxi and JUMP rides do not earn points. If users do not earn reward points on a ride, they will not earn extra reward points through the American Express benefit. The extra reward points earned through the Amex benefit are Uber reward points only, meaning that they count toward redemption awards earned every 500 reward points but, unlike "level points," do not count toward Uber Rewards membership levels (Blue, Gold, Platinum, and Diamond). See U.S. Uber Rewards Program Terms for details. For information on what constitutes an eligible dollar, users can visit the U.S. Uber Rewards Program Terms and Conditions in their Uber app or at <https://www.uber.com/legal/rewards-program/program-terms/>

**Promotions:** Any additional promotions that Uber runs will not impact the number of extra reward points provided by the Amex benefit.

**Uber Cash:** Uber rides and Uber Eats orders paid for using only Uber Cash will not earn extra reward points through the American Express benefit, even if the Uber Cash was paid for using an eligible American Express Corporate Card.

**Eligible Card Members:** To be eligible for the benefit, Card Members must first open the app and enroll in the U.S. Uber Rewards program, which requires being physically in the United States at the time of enrollment. Card Members already enrolled in Uber Rewards can verify the market in which they are enrolled by checking the Uber Rewards Program Terms & Conditions in their app. Card Members can contact Uber Support regarding any issues they have enrolling. Extra reward points with Uber Rewards, which is the ability to earn extra reward points with your eligible Amex Card, is available to U.S. Corporate Card Members with the following Cards: American Express® Corporate Green Card, American Express® Corporate Gold Card, and the Corporate Platinum Card® from American Express. Priority pickups at most U.S. airports is available to American Express® Corporate Gold Card Members and Card Members with the Corporate Platinum Card® from American Express. Priority pickups is based on driver availability. Shorter wait times are not guaranteed for any given airport pickup. Card Members with the Corporate Platinum Card® from American Express also have the ability to request to ride with highly rated drivers where available. Ratings and trip thresholds for highly rated drivers may vary by city and over time. This benefit may not be available in all locations. Requests may be unfulfilled if no eligible drivers are available. Terms apply. Visit the Uber Rewards Benefit Terms at <https://www.uber.com/legal/rewards-program/benefits-terms/> for details on Uber Rewards.

Card Members will receive a statement credit for the first program (either Global Entry or TSA Pre✓®) to which they apply and pay for with their eligible Card regardless of whether they are approved for Global Entry or TSA Pre✓®. However, Card Members can receive no more than one credit for up to \$85 for TSA Pre✓® or \$100 credit for Global Entry (but not both programs), depending upon the program the Card Member first applies for, for an application fee charged to an eligible Card. American Express has no control over the application and/or approval process for Global Entry or TSA Pre✓®, and does not have access to any information provided to the government by the Card Member or by the government to the Card Member. American Express has no liability regarding the Global Entry or TSA Pre✓® Programs. U.S. Customs and Border Protection (CBP) (for Global Entry) and U.S. Transportation Security Administration (TSA) (for TSA Pre✓®) charge an application fee to process each respective application regardless of whether the Card Member's application is approved. The Department of Homeland Security may suspend acceptance of applications on any basis at its discretion. American Express will provide a statement credit for the application fee regardless of the decision made by CBP (for Global Entry) or TSA (for TSA Pre✓®) but will not provide a statement credit for subsequent application fees charged to the same eligible Card within 4 years (for Global Entry) or 4.5 years (for TSA Pre✓®), even if the original application is rejected.

The statement credit benefit applies to the Global Entry or TSA Pre✓® programs only. Other program applications including, but not limited to, NEXUS, SENTRI, and Privium are not eligible for the statement credit benefit.

Please allow up to 8 weeks after the qualifying Global Entry or TSA Pre✓® transaction is charged to the eligible Card account for the statement credit to be posted to the Card account. American Express relies on accurate transaction data to identify eligible Global Entry and TSA Pre✓® purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 8 weeks, simply call the number on the back of your Card. Card Members are responsible for payment of all application charges until the statement credit posts to the Card account. To be eligible for this benefit, Card account(s) must be active through the time of statement credit fulfillment.

#### **Global Entry Fee Credit Option:**

Global Entry membership also includes access to the TSA Pre✓® program with no additional application or fee required. If a Card Member applies separately for TSA Pre✓® with the same eligible Card, the TSA Pre✓® application fee is not eligible for a statement credit.

To receive the \$100 Global Entry statement credit, Card Members must pay for the \$100 Global Entry application fee with an eligible Card. Additional Cards on eligible Consumer and Business accounts are also eligible for the \$100 statement credit. To receive the statement credit, the Global Entry application fee must be charged on the eligible Additional Card. Global Entry members can opt-in to TSA Pre✓® by entering their Global Entry membership number (PASS ID) in the "Known Traveler Number" field each time a flight reservation is made on a participating airline. Alternatively, Card Members can add their Global Entry PASS ID to their frequent flyer profile(s) with the participating airline(s) and then ensure that their frequent flyer number is entered for each flight booking. You must re-apply for the Global Entry program every five years for continuous benefits.
